EVELYNN ADAMS

GRADUATE FRESHER

PROFESSIONAL PROFILE

I am a recent graduate who is interested and fascinated by Machine learning. I want to join this industry and be a part of it, learn and contribute towards both the growth of the company and me as an Indivuduals in terms of skills.

PROFICIENT SKILLS

Machine Learning, Deep Learning, Neural Networks, ML Algorithms, Python, NumPy, Scikit Learn, Matplotlib, Keras, Pandas, TensorFlow, Seaborn, Java, ReactJS, NodeJS.

ACHIEVEMENTS AND EXTRA CURRICULARS

Certified Entry Level Python Programmer
Certified Associate Level in Python Programming

PROJECTS

Deep Learning assisted Image recognition.

EMPLOYMENT HISTORY

E-Novate Labs

Intern Trainee, Aug 2020 to Dec 2020

I was trained on how to use Neural networks w.r.t to classical problems that existed in Machine Learning.
During the Capstone project I created a supervised model for Image recognition with minimal training.

EDUCATIONAL HISTORY

Lucknow University

B.Sc (Computer Science) KTM College, Nashik, 2019
MCA (Computers), SPP University, Pune, 2021
