WORK EXPERIENCE

Squarespace - Senior Web Developer

January 2020 - current   Remote

- Led and managed a team of 12 developers and designers to create efficient, effective, and visually aesthetic websites for 60,000+ clients.
- Oversaw concept mock-up and wireframe design to further client satisfaction by 35%.
- Developed customer-specific design framework, reducing site production time by 4 days.
- Collaborated with VP of sales to create digital marketing designs that led to an average 20,000+ additional clients per month.
- Led bi-weekly standup to celebrate team successes, address weaknesses, and assign tasks.

Florida Polytechnic University - Web Designer

April 2016 - January 2020   Lakeland, FL

- Created and assisted with the development of 3 official university-sponsored websites.
- Created and assisted with the design, development, and support of new and existing secure websites and web applications.
- Conceptualized, created, and managed dynamic web pages for data display and entry using appropriate technologies (HTML, PHP, and Web CMS).
- Worked as part of a 4-person team, and communicated in a professional and collegial way.
- Provided training for continuous updating of websites.

Hear.com - Front-End Developer Intern

June 2015 - April 2016   Miami, FL

- Translated designs and wireframes into high-quality code using HTML, CSS, and JavaScript.
- Worked closely with developers, designers, copywriters, and other cross-functional teams (CRO, Video, Marketing, etc..) to drive innovation and maximize conversions by 40%.
- Provided input to leaders 3 times a year about the future development of new features.
- Ensured the technical feasibility of UI/UX designs.
